Performance Characteristics

The following performance characteristics will guide the scoring of responses to the constructed-response questions on Italian.

PURPOSE	The extent to which the response addresses the constructed-response assignment's charge in relation to relevant CSET subject matter requirements.
SUBJECT MATTER KNOWLEDGE	The application of accurate subject matter knowledge in the relevant CSET subject matter requirements.
SUPPORT	The appropriateness and quality of the supporting evidence in relation to relevant CSET subject matter requirements.

Two extended-response questions (ERQ) will test writing skills (only in Italian). The grade will be assigned depending on the degree of precision and completeness of the answers provided.

Two short (focused)-response questions will test speaking skills (only in Italian). The grade will be assigned depending on the degree of precision and completeness of the answers provided.

Two different scoring scales will be used to score responses in the two sections of the test, from 1 to 3 for the SFRQ and from 1 to 4 for the ERQ.

Scores will be assigned to each response to the constructed-response questions on Italian according to the following scoring scale.

Extended response question

SCORE POINT	SCORE POINT DESCRIPTION
4	The "4" response reflects a thorough command of the relevant knowledge and skills. <ul style="list-style-type: none"> • The purpose of the assignment is fully achieved. • There is a substantial and accurate application of relevant subject matter knowledge. • The supporting evidence is sound; there are high-quality, relevant examples. • The response reflects a comprehensive understanding of the assignment.
3	The "3" response reflects a command of the relevant knowledge and skills. <ul style="list-style-type: none"> • The purpose of the assignment is fully achieved. • There is an accurate application of relevant subject matter knowledge. • There is appropriate and specific relevant supporting evidence.
2	The "2" response reflects a general command of the relevant knowledge and skills. <ul style="list-style-type: none"> • The purpose of the assignment is largely achieved. • There is a largely accurate application of relevant subject matter knowledge. • There is acceptable relevant supporting evidence.
1	The "1" response reflects a limited or no command of the relevant knowledge and skills. <ul style="list-style-type: none"> • The purpose of the assignment is only partially or not achieved. • There is limited or no application of relevant subject matter knowledge. • There is little or no relevant supporting evidence.
U	The "U" (Unscorable) is assigned to a response that is unrelated to the assignment, illegible, not in the target language or English, or does not contain a sufficient amount of original work to score.
B	The "B" (Blank) is assigned to a response that is blank.
