OCTOBER IS ITALIAN AMERICAN HERITAGE MONTH!

Dear Amici,

On behalf of the Italian Cultural Society, I would like to thank you for your support this past year.

I would also like to inform you that many of you did not receive our recent newsletter and event notices due to a problem with our mailing system.

Our Spring, Summer and Fall schedule of activities were some of our most amazing. They included our first Italian Auto Show, Hosting the Italian Air Force at the California Capitol Air Show for a week, Italian Night at the River Cats and our annual Columbus Day and Italian Heritage Celebration.

And that on top a variety of weekly Sunday cultural programs at the Italian Center, language classes, tour of Italy, Italian dance performances and our Friday night films.

In case you were among those friends and members of the Society who did not receive our newsletters...

This years' Italian American Heritage/ Columbus Day Luncheon Celebration featured a presentation from the Sacramento County Supervisors recognizing Italian American Heritage Month in October. This year, similar Resolutions were issued by the State and by the City.

The Italian food and food making booths, the music, folk dancers, bocce, raffle, and other activities at this annual gathering are an expression of our pride in our cultural heritage.

A Special Task Force Report about the status of the Columbus Day Holiday is available by clicking here.

In the coming months we will begin a new year of activities for our community and the public. We hope all of you will take advantage of what we have to offer with your participation and support.

We encourage all of you to become members by clicking here.
